

OPPS Litterless Lunch

Dear parents/guardians,

Oscar Peterson Public School is starting a litter less lunch campaign. For the month of November we will start with two litterless lunch days. The first litterless lunch will be on Thursday, **November 12, 2009**. If you are wondering what a litterless lunch is, it is just like a regular lunch, without any waste! On November 12th we ask that your child bring a lunch containing little, to no garbage. The Eco Team will be tracking class progress and posting each class's results outside the office for all to see. So remember your litterless lunch next Thursday!

From,

The Eco Committee
