

# School Bus Cancellation Notice

School bus service may be cancelled from time to time due to inclement weather, extreme temperatures and/or poor road conditions. In these cases, parents and students should develop alternate care/transportation arrangements.

Since some busing schedules begin by 7:00 a.m. or earlier, all cancellation decisions must be made by 6:00 a.m. to ensure the safety of our students. Cancellation decisions will only be made after thorough consultation with school bus companies servicing York Region. Decisions are based on several factors including precipitation, air temperature and road conditions.

Please note the following:

- A decision to cancel school bus transportation may be **system wide** (where all buses in York Region are cancelled) **or municipality specific** (where buses in one or more municipalities are cancelled).
- If school bus transportation in your municipality is cancelled and your child attends school in a different municipality where service is operational, your child **will not** be transported to/from school.
- If school bus transportation in your municipality is operational and your child attends school in a different municipality where service is cancelled, your child **will not** be transported to/from school.
- **If buses are cancelled in the morning, they will not operate in the afternoon. Therefore students transported to school by parents will require the same transportation home.**

Parents, students and school staff are asked to access the following radio and television stations after 6:00 a.m. to receive bus cancellation information:
